

# CURRENCY DENOMINATION

by

Philip Mazeikas

Dissolution upon refrain of intermittent variable field enters congruence.

Instantaneous measure defined upon variant recourse enters prerequisite function upon indivisible value.

Denotation upon derived congruence upon indivisible requisite field denies intermittent postulate upon designated recourse.

Limit juxtaposed upon derived stasis upon integral function of instantaneous threshold upon determined value denies instantaneous prerequisite directive of threshold upon static refrain.

Prerequisite field upon dissolution of integral derivative upon static field denies instantaneous measure.
