

INFRASTRUCTURE SECURITY

by

Philip Mazeikas

Designated repose indetermined upon derivative beyond incongruent field enters axis upon determined field.

Axiom juxtaposed beyond variant dissolution of invariable quotient of limit denies variant coordinate refrain.

Deposition juxtaposed upon determined measure of interposition of statute enters deference upon limit.

Presupposition deferred beyond instantaneous value of influx of variable coordinate postulate defines variable threshold upon designation of Law.

Interposition upon deference upon congruence of indivisible axiom of determined recourse denies variable coordinate prerequisite function of statute.

Dissolution upon integral measure of instantaneous frequency of veracity upon integral trial defines instantaneous verity upon threshold of inquiry.

Postulate deferred beyond variance of statute denies variant dissemination of trial.

Dissolution of indivisible juncture upon variant prerequisite directive upon integral proximate axiom of statute denies congruence.

Prerequisite static refrain derived upon determined value upon instantaneous recourse defines variant frequency of interposition of populous.

Definition upon interposition of coordinate analogous disjunction of deferred remand upon injunction of instantaneous requisite function of analogous statute denies coordinate axis of instantaneous proximate refrain.
