

STATE DIPLOMACY RECOURSE

by

Philip Mazeikas

Designated return upon variant congruence upon displaced variable inquiry denies threshold upon return upon instantaneous measure of coordinate refrain.

Postulate deferred upon stasis upon differential of coordinate field and interposition of proximate recourse denies interposition of analogous field.

Presupposition denied beyond interposition of coordinate field defers interposition upon axis of definition upon variable function of prerequisite juncture of displaced coordinate measure.

Definition upon variant axis of deferred refrain enters analogous derivative upon instantaneous prerequisite function of recourse.

Limit interposed beyond interval of coordinate function of derived prerequisite return of interposition of deferred variant statute enters postulate upon interposition of displaced integral axis of instantaneous function of axiom.
