

THE COLLECTION:

SAATHANIS

by

Philip Mazeikas

Interposition upon refrain of static variable function of limit upon congruent field of intermittent postulate of denied coordinate value enters refrain.

EMPEROR

Designated field upon function of value upon reposed derivative of coordinate postulate of indetermined measure denies variant threshold upon variable axis of limit.

SORCERESS

Indetermined variant presupposition upon refrain of static measure denies threshold.

ASSASSIN

Vestige of function of indetermined variable function of threshold upon axis of derivative of postulate denies coordinate threshold upon disposed variant coordinate.
