# **THE WHITE CHAMELEON**

by

Philip Mazeikas

Stasis upon variable field of intermittent coordinate axis of derivative of measure denies congruence.

## **JUSTIFICATION**

Interposition of vestige of derivative upon indetermined value enters refrain.

## **RECONCILIATION**

Variant presupposition upon static coordinate of function of limit enters prerequisite vestige of indetermined measure.

## **DELIVERENCE**

Coordinate field upon dislocated measure of indetermined value enters recourse.

## **REDEMPTION**

Designation upon variant function of determined limit denies variable function of dislocated axis.
