

THE 10 PRINCIPLES OF PATHIALOGIA

by

Philip Mazeikas

1. Every human being is a living, breathing person.
 2. Malice can be defeated.
 3. There is a solution to the problem.
 4. Action can be taken now.
 5. Passion triumphs over pain.
6. Every human being's life is their own.
 7. Civilization can progress.
 8. New work is attainable.
9. Human beings can live in freedom.
 10. There is power in being one.
