

THE VOICE IN THE WILDERNESS

by

Philip Mazeikas

There once was a man who was walking through the great unknown.

A voice called out from afar.

The man wondered if the voice was an enemy.

The man wondered if the voice was a friend.

The man wondered if the voice needed help.

The man wondered if the voice led to something fruitful.

The man wondered if the voice led to doom.

The man realized how he reacted to the voice could bring great changes to his life.
