

WHERE NO ONE HAS BEEN

by

Philip Mazeikas

There once was a man who beheld the path of Man.

There were roads, achievements, ideas, beliefs, and records.

The man thought this was great.

The man wanted to contribute to the path.

But, the man thought, he couldn't find anything new if he only walked the existing path.

The man approached the edge of darkness with a lantern.

The man entered the unknown with the dream of new roads, achievements, ideas, beliefs, and records.
