

THE AUTONOMOUS FAMILY

By

Philip Mazeikas

Promise, in Fate of Heritage and Nature, avails.

Man, and his Love upon the Throne of God's Earth, is Honor.

Power, in Trust of Man, returns Dignity.

Nature, in the Family of Species and Individual, is Dominion.

Man, and his Law, upon the Earth, is Nature's Right.

Sovereignty, in Liberty, is Man.

Man, is Right, unto Love and Power in his Blood.
