

HOW THE COCK FUCK KILLS THE SEX

BY

PHILIP MAZEIKAS

Inert mastery of the preface of status, in conglomerate of incongruence in finality of endurance in tense of him, incurs the style of incongruence in material procurement of wisdom, the heir of dissolution of name, in the property of conference of imminent force, and the selection of sex in the price of incongruence of inert material order of worth, and the incongruence of status in preface of state of incongruence of finality of tense in the surrender to price.

Limit, in congruence of status, in conference of sex and mastery of lament, in freedom of opportune selection of mate and the regard of respect in tense of allegory, to heights of prominence, and the selection of redemption in tonation of grandeur, confers silence to tense of material affection, and the price of allegory in the romance of honor, for the price of incongruence.

Selection in right, of man, and his order of rule, of his demeanor and tense of inert profession, of grandeur, confesses silence to remedy of order of opportune desire, and the tonation of romance in the rite of candor, to the heights of woman and her tense of incongruent discretion of profession and the profession of honor.

Dream, in candor of man, and his defamation of silence, in the pronoun of inert conclusion, incurs endurance.
