

LOVE AND OTHER INDOOR SPORTS

MAZEIKAS

Estate
of perfect instruments
property of secrets
and hatred of souls
instruments
of isolation
in heights
of
more vanity than can be illusion
the trust
of perfection
in
God
for hell
and silence
in the scenic isolation
of fear
and youth
for hatred
of soulless isolation
of the mirrors of the helm upon thrones of order
and age
for silence
in helms
of devotion
the height
of counterfeit
illusions
for hate
and for speaking
of the truths
of no named signs of pictures
in dream of vanity
for hatred
of man
and record
of signs
of talking
of the truth
of blasphemy
and order
