

CONSTRUCTIVE REBUILDER/BUILDER
PHILIP FRANCIS MAZEIKAS

Holistic variance in determinant of field and internment of pressure of entropy of estate of consort of isolation, interns composite retention of allocated disjunction of isolation of mass and entropy of retention of atomic pressure, upon consort of variable retention of determinant volume of derivative of selection of torque of longitudinal pressure of gravitational retention of concordance of constant, upon record of tense of variable isolation of pressure of composite of determinant selection and retention of isolation of quotient of pressure.
