PHILIP FRANCIS MAZEIKAS

Intermediary poetry  
for emptiness  
of the concord of residual questions  
the century of isolation  
in price of the correction of question  
hell  
for prices  
and sciences of the devotion to arbitrary  
loosed into infamy  
the reading of the court  
for the sanctity of profanity  
in helms of devotion to wisdom  
the lifeless price of his reckoning  
and resounding voice  
the pleasure  
of the bride
